

Suitable accommodation may be booked at the venue of the event <http://hotelhills.ba/> which is closer to the airport than to the city center

Price for the taxi is generally 1BAM/km (0,5€/km). If you order a taxi from the airport it is advisable to call a taxi from a [registered taxi company](#) (all phone numbers are local). Taxis waiting at the airport entrance are generally more expensive than those listed above. In general price for taxi from the Sarajevo airport to almost any position in town should not be more than 20 BAM (10€).
